Instruction

for remote participants of oral live sessions

PSE 2021+
KYOTO

---

1. How to join oral live sessions virtually

2. How to ask questions
   during live oral session

3. How to ask questions
   when you miss the oral live session

1. How to join oral live sessions virtually

All registered participants will be able to access the Zoom webinar during the symposium.

To access Zoom Webinar,
a password and links are required to log in.

The password and links will be provided to all registered participants of PSE 2021+ through the email from Zoom one week before the symposium.

1. How to join oral live sessions virtually

2. How to ask questions
   during live oral session

3. How to ask questions
   when you miss the oral live session

2. How to ask questions during live oral session

The session chair will mute your microphone during the entire session.

2. How to ask questions during live oral session

During the presentations,
all participants will be muted
but can submit questions
through the Q and A window of the Zoom webinar.

2. How to ask questions during live oral session

Questions submitted in that form will be asked by the session chair following a FIFO policy.
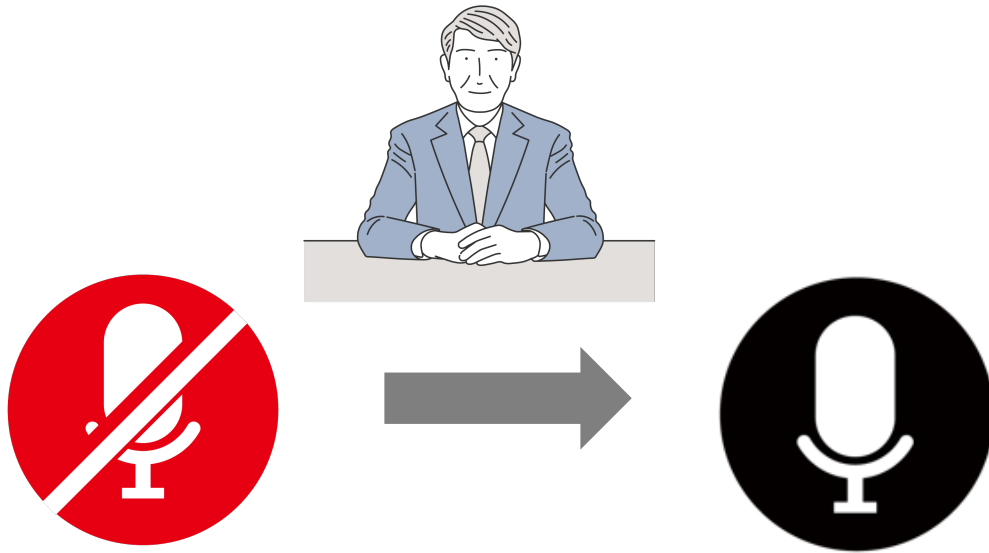

---

2. How to ask questions during live oral session

After all questions placed in Q and A windows have been answered,
remote participants can ask the presenter a question through the microphone by raising his /her hand.

2. How to ask questions during live oral session

The session chair will indicate your turn and unmute you.

   during live oral session

3. How to ask questions
   when you miss the oral live session

3. How to ask questions when you miss the oral live session

When you miss the oral live sessions, you can watch the pre-recorded video of the presentation by clicking URL under the title of the presentation in the online program.

The pre-recorded videos are available during whole period of the symposium.

3. How to ask questions when you miss the oral live session

If you have a question to the presenter, open the Q&A file near the title of the presentation in the online program and leave a question in it.
